The **Florida Blue Medicare PPO Visitor/Traveler Program** offers the same copays on the road or at home when you use the Blue Cross Blue Shield network.

Low copays for an out-of-state doctor office visit or walk-in clinic.

If your vacation lands you in the ER, don't worry. With our PPO plans, you pay the same daily copays as you would if you were at home.

No need to make a pit stop for your over-the-counter (OTC) items if you run out. Most of our PPO plans offer a \$50 monthly allowance for OTC products you can have shipped to an alternative or temporary address.

Don't run out of meds while you're away.

Get the same low prescription drug coverage at many participating national and regional chains. We can mail them to you, too.

Don't leave your fitness routine behind.

Stop in at any of the 16,000 participating SilverSneakers® fitness clubs at no cost to you.

No referral needed to see a specialist and a provider network that spans 46 states and Puerto Rico.
